Georges River College (GRC), Hurstville Boys Campus (HBC) educates young men to become confident and creative individuals who are self-motivated learners, with the skills for future success.

As a 7-10 middle school we create a nurturing, inclusive environment that promotes students to strive for their best and celebrate their success.

Literacy and Numeracy

Every Number and Word Counts

Individual – intensive support for struggling students

Targeted – timetabled classes for focus areas of numeracy/reading (years 7 and 8)

Whole school – consistent approach to numeracy in all subjects

The school offers a range of opportunities to support and extend HPGE students. The programs we run include:

- ★ **Mathematics class streaming**
- ★ **Creative writing workshops**
- ★ **Debating**
- ★ **Poetry competition**
- ★ **ICAS assessments**
- ★ **Solar car challenge**
- ★ **School rock band and ensemble**
- ★ **Sustainability Project**

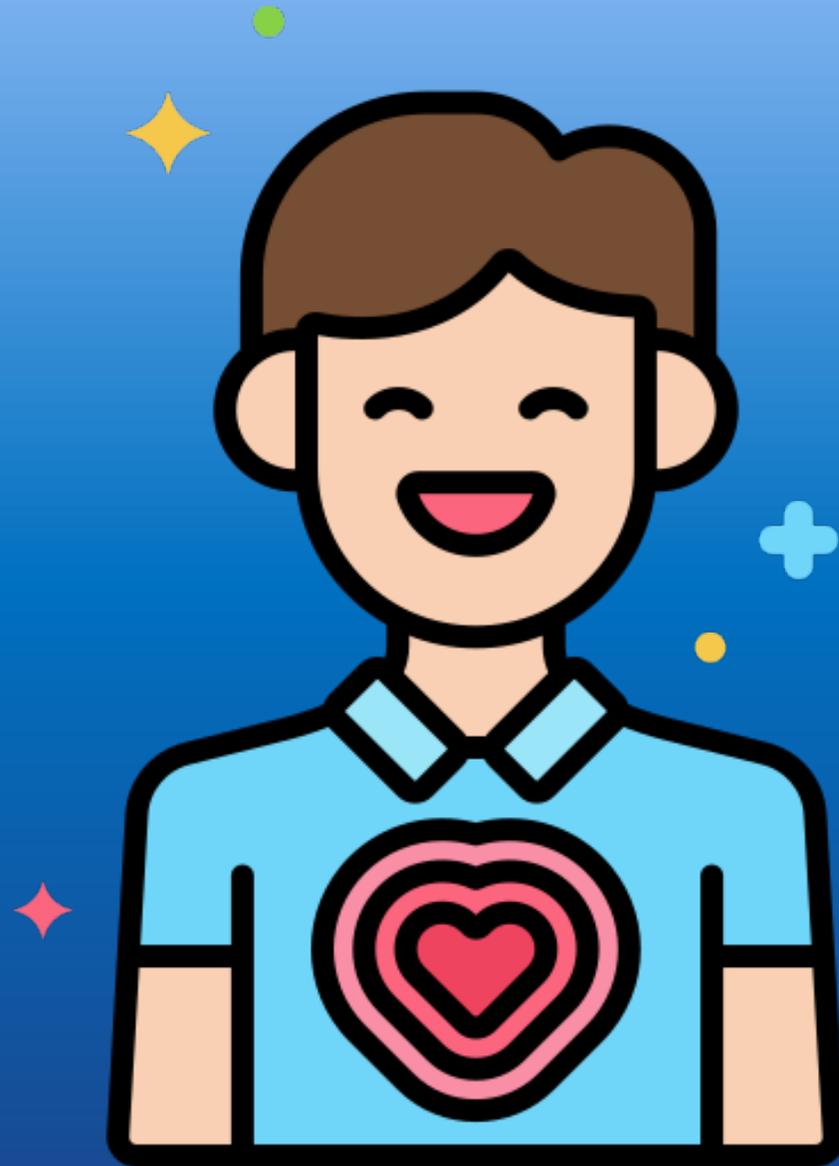

High Potential and Gifted (HPGE) Students

Co-curricular Experiences

Transition Programs

- 
- A group of Year 7 students in school uniforms are gathered in a classroom. The central focus is a young man in a light blue polo shirt with a school crest, who is smiling and looking down at something in his hands. He has a blue name tag on his chest. Other students in similar uniforms are visible around him, some looking on with interest. The background shows a brick wall and a whiteboard.
- ★ **GRIT**
 - ★ **Year 7 Camp/Excursion**
 - ★ **College Support Unit Camp**
 - ★ **Primary School Links (Years 5 & 6)**
 - ★ **Head start @ Hurstville (Year 6)**

Year 7 Transition Programs

“The Year 7 playground made it much easier to settle in and make new friends.”

Liam, Year 7

Work Experience

Alternative programs

- ★ School to work program
- ★ TAFE
